

**Statute of Business Language Speaking Club**  
**The Department of Physical Geography and Cartography**

1. Objectives and goals:

- 1.1. Improve the English language proficiency.
- 1.2. Learn specifics of English language usage in academical environment, particularly in geographical science.
- 1.3. Develop skills of making public presentations and participating in debates.
- 1.4. Help the participants overcome the language and cultural barriers.
- 1.5. Develop oratory skills.
- 1.6. Enhance student's interest in the English language learning.

2. Participants of the club meetings:

- 2.1. Everyone who has basic knowledge of English and good sense of humor can become a club's meeting participant,
- 2.2. Everyone who is interested in having some English practice, learning traditions, and habits of other nations,
- 2.3. Who loves geography and is tolerant to representatives of other cultures is welcome on the club's meetings.

3. The basic ideas:

- 3.1. The club functions as an out-of-school activity; there are lectures, workshops and debates.
- 3.2. English is the only speaking language during the club's meetings; we also use the sign language and draw.
- 3.3. We share our personal experience, listen to others, supplement each other and correct the mistakes.

4. Other:

- 4.1. The simple majority of the participants can change the statute of the club; the moderator of the club has a deciding vote.
