International Conference InterCarto-InterGIS - 20

«Territories' Sustainable Development: Cartography and GI Support»

July 23–24, 2014, Belgorod (Russia)

July 25, 2014, Kharkov (Ukraine)

July 28–30, 2014, Kigali (Rwanda)

August 6-8, 2014, Nairobi (Kenya)

C I R C U L A R № 2

Organizers*:*

The International Cartographic Association (ICA)

Committee on Data for Science and Technology

CODATA- Task Group _PASTD

The International Data Centre on Geography ICSU-WDS

International Geographical Union

International Eurasian Academy of Sciences

Russian geographical society

Russian Foundation for Basic Research

Lomonosov Moscow State University

Belgorod State National Research University

V. N. Karazin Kharkiv National University

Xinjiang Institute of Ecology and Geography

Chinese Academy of Sciences

Administration of Belgorod Region

Independent Institute of Lay Adventists of Kigali/Rwanda

Time and place of the conference

Russian part of the conference will be held in Belgorod from the 23rd to 24th of July 2014 on the basis of the Belgorod State National Research University

Program:

22rd of July
Arrival of participants
23rd of July
8:30 – 10:00 – registration
10:00 – opening ceremony
10:20 – plenary session
13:30 – 15:00 – lunch
15:00 – 18:00 – sessions
19:00 – dinner

Ukrainian part of the conference will be held in Kharkiv from the 25th to 26th of July 2014 on the basis of V. N. Karazin Kharkiv National University

Program:

22th of July
Sessions of the conference will take place on the basis of geological and geographical faculty of V.N.Karazin Kharkiv National University. Some papers will be devoted to the modern trends of research in the field of cartography and geoinformatics in Ukraine, including the results of the Russian-Ukrainian and other international projects
26th of July
Tour to Poltava region (with the evening drive back to Kharkiv). Sightseeing in the city of Poltava, a visit to the Museum of the Poltava Battle, the Kotlyarovskiy museum-estate, Ukrainian farm with the presentation of the national cuisine and ethnic traditions.
27th of July
Half day tour around Kharkiv, which includes familiarization with historical and modern sights of the city, a visit to the Kharkiv University Nature Museum (biological and geological collections), the Museum of the Kharkov aircraft factory, etc.
The second half of the day – transfer from Kharkiv to Donetsk and an evening flight to Rwanda from Donetsk Airport.

Time and place of the conference at KIGALI-RWANDA

Organizer: Independent Institute of Lay Adventists of Kigali
Co-organizer: Xinjiang Institute of Ecology and Geography, Chinese Academy of Sciences
Time: from 28th to 30th of July 2014
Venue: to be determined soon
Field trips: Visit Nyungwe National Park, Akagera National Park, Volcano National park, Bugesera semi-arid regions (fee to be determined soon)

Time and place of the conference at NAROBI - KENYA

Location: United Nations Africa Headquarter in Nairobi, Kenya
Organizers:

- CODATA Task Group on Preservation of and Access to Scientific and Technical Data in/for/with Developing Countries
- Communication and Information Committee, World Federation of Engineering Organization (CIC/WFEO)
- Ministry of Communication and Information of Kenya
- Education, Science and Culture Organization, United Nations (UNESCO)

Co-Organizers:

- Jomo Kenyatta University of Agriculture and Technology, Kenya (JKUAT)
- International Council for Sciences Regional Office for Africa (ICSU ROA)
- World Data System of International Council for Sciences (WDS/ICSU)
- International Cartographic Association Commission on Geoinformation (GI) for Sustainability
- CODATA China National Committee
- CODATA Germany National Committee
- CODATA USA National Committee

International Workshop on Open Data and Knowledge Environment for Sciences and Sustainability in Developing Countries

The workshop will be a special opportunity to present the accomplishments in reducing digital divide from the actions on WSIS (World Summit on Information Society, Geneva 2003 and Tunis 2005) and the CODATA Strategic Plan for 2006-12, as well as programs from each of partners. The agenda of the joint actions for implementation of CODATA Strategic Plan for 2013-2018, ICSU Future Earth Program, WFEO Strategic Plan and UN Millennium Development Goals (MDGs) Acceleration and the Post-2015 Development Agenda will be discussed at the workshop. Welcome to submit paper to, but not limited of, one of the followings:

- Show cases of accomplishments in reducing digital divide on open data and knowledge environment;
- Progress of international and national strategies and policies on open data and knowledge environment;
- ICT applications in data management and applications for sciences and sustainability in developing countries;
- Capacity building and young scientists on open data and knowledge environment in developing courtiers;
- Coordinating strategy and methodology of joint actions in developing countries for the Future Earth.

Registration fees

The registration fee (**Russian part**) of direct participation (one report) is 2000 rubles for the citizens of Russia and CIS countries, 4000 rubles for foreign citizens and includes one copy of the proceedings of the conference, handout materials and coffee breaks. The main directions of InterCarto-InterGIS 20

Sections:

- GIS and cartographic support for environmental, economic and social aspects of sustainable development and globalization challenges
- Mobile geographic information systems
- Virtual geographical environment
- Geoinformatics and public participation in the protection of environment and risk management
- Spatial data infrastructure
- Standards, interoperability and open access
- Information for decision-making
- Information and its dissemination in civil society
- Ecological and sustainable tourism
- Urban ecology and planning
- Problems of education

Seminars and round tables:

- Historical Geoinformatics

School-seminar of young scientists «Prospects of use of information technologies for nature management optimization»

- A seminar «Digital cultural heritage and Geoinformatics:
- history of research and mapping of cultural landscapes of exploited areas,
- geoinformation provision of preservation of objects of cultural heritage,
- geoinformation provision of preservation of objects of natural heritage

Important dates:

Until the 1st of February 2014 for the participation in the Russian, Ukrainian, Rwandan and Kenyan parts of the conference please send the following information to the email address of the Organizing Committee:

1) a completed application form;
2) a copy of registration fee payment receipt;
3) a report in Russian and annotation of the report (not more than 10 lines) in Russian and English, designed to meet the requirements.

Until the 1st of February 2014 foreign citizens wishing to obtain a Russian visa must provide personal information for invitation documents

Until the 1st of March 2014 submit a completed application form, a copy of the registration fee payment receipt, materials, reports to the Organizing Committee of the conference

Until 1st of June 2014 - confirmation of the arrival date, arrival information

Working languages of the conference

Official conference languages are 7 UN official languages - Arabic, Chinese, English, French, Russian, Ukranian and Spanish.

Conference schedule

The duration of presentations:
- at the plenary sessions - 15 min,
- at the ordinary sessions - 10 min;
- discussion of the reports - 3 min.

Address of the organizing Committee

In Belgorod:
Russia, 308015, Belgorod, Pobedy St., 85,
Federal state Autonomous educational institution of higher professional education «Belgorod state national research University» (Belgorod state University)
tel: (4722) 30-11-73; Fax: (4722) 30-11-74; e-mail: interkarto20@mail.ru;
http://ggf.bsu.edu.ru/Conferences/Intercarto_20
Secretary of the organizing committee:
Kolmykov Sergei Nikolaevich (4722) 30-11-73, +7-960-621-85-30;
e-mail: interkarto20@mail.ru

In Kharkiv:
Ukraine, 61077, Kharkiv, Liberty square 4,
Geological and geographical faculty of the V. N. Karazin Kharkiv National University
e-mail: Gis-forum@ukr.net,
Telephone: +380669242406
Organizing committee secretaries:
Tretyakov Alexander Sergeevich,
Sinna Olena Ivanovna

In Kigali :
Dr. GABRIEL HABIYAREMYE
Dean of Faculty of environmental studies INILAK
E-mail : intercarto20@inilak.ac.rw or habygaby@gmail.com
Address - PO BOX: 6392, KIGALI RWANDA
Telephone: +250-785698604/+250788305083

In Nairobi:
Prof. Mabel Imbuga
CODATA TG_PASTD Co-Chair
Vice Chancellor of Jomo Kenyatta University of Agriculture and Technology
P.O. Box 62000, City Square
Nairobi, 00200
KENYA
Tel.: 254-067-52711
Fax: 254-67-52164
Emai: vc@jkuat.ac.ke

For publication of materials

Authors should send an e-mail containing the following documents and forms to organizing Committee:
1) a completed application form;
2) copy of the receipt of the registration fee payment;
3) the text written in accordance with the requirements.
The publication is subject to the advance payment of the registration fee.

Preparation and submission of reports
(papers for all parts of conference and workshop will be published in the Proceedings of InterCarto 20)

- The conference provides an opportunity for oral presentation.
- The contents of the report should correspond to the topics of the conference.
- The papers should contain original new materials.
- Each author individually can't present more than 2 papers.
- All the materials are peer reviewed.
- The program Committee reserves the right to accept or reject the report and decide on the form of its presentation. Rejected reports are not returned to the authors.
- Copies of reports should be submitted to the Organizing Committee before April 1, 2014. Texts sent later of the stated period will not be published in the materials of the conference.

 Requirements to the reports
- A total volume of the article is not more than 15 pages
- The title of the text file should contain author's name.
- Font Times New Roman; font size 10.
- Line spacing-1; indent 1 cm
Fields: top, bottom and right-2 cm, left-2,5 cm
- The title centered in capital letters, font Arial bold, size 11.
Space.
- Initials and names of authors on the next line in italics, font Times New Roman, size 10, centered.
- Organization on the next line as well.
City, country (you can address postal and/or electronic) on the next line as well.
Space.
- Title, authors, and so on. in the same order on English.
Space.
- Paragraph, the word Abstract in bold to the point immediately after the summary in English (1-2 paragraphs).
Space.
The text of the report.
- Red line (paragraph 1.25 m, width alignment.
- Captions should be below center image italic Times New Roman, size 10, captions to tables are placed above the table on the center of the same font. Signature to figures should not be included in the drawing itself in a graphical format.
- Drawings in separate files in jpg format (preferably) or tiff. Illustrations can run in color, however, we ask that unnecessarily not to abuse. Figures with text when sending fold in the shared folder (in order to avoid losses).
- Bibliographic list is formatted in alphabetical order. References in the text are in square brackets [surname, year].
In the list of references includes:
for books: surname and initials of authors, title of book, publisher's address, publisher, year of publication, volume, number of pages;
- to articles from journals and collections: names and initials of authors, title of the article.
Then through // specify the name of the journal or collection, series, city, year, volume number, issue, first and last pages;
for materials of conferences, schools, seminars: surnames and initials of authors, title materials, name of publication, time and venue of the conference, city, publisher, year of the first and last pages.

Series of compilations of this conference to receive the impact factor will be submitted. In this connection we ask the authors of the materials, if possible, increase the amount of links on the previously published data collections of articles.
